INSTRUCTIONS TO UNIT COMMANDERS

1. The following instructions concerning the processing of AAF personnel assigned to the 7th Replacement Depot for transshipment to the United States will be complied with:

a. ORIENTATION. Each individual will be acquainted with the provisions of AGO letter, file AGO 370.5 27 May 1945, Subject: "Orientation of Returning Individuals with Respect to Movement," concerning duty status during return. He will further be advised not to take pets to the replacement depot and also that his stay there will be indefinite depending on availability of transportation.

b. PERSONNEL RECORDS. The records listed in paragraph 15b (1), RR 1-2, where applicable to officers or enlisted men, as well as physical profile record prescribed in MTOUSA Circular 68, 1945, will be made current, carefully checked according to MTOUSA Redeployment Circular 3, 1945, and will accompany movement to replacement depot. Special care will be taken to see that campaigns and decorations are properly entered in service record. A certificate of non-availability of records, as prescribed in paragraph 15b (2), RR 1-2, will be forwarded when appropriate. Ascertain that each individual has identification tags.

c. CLOTHING AND EQUIPMENT. Clothe and equip each individual according to MTOUSA letter, file 370.5/476 D-O, 22 May 1945, "Clothing and Equipment for Enlisted Men Leaving this Theater," withdrawing all other government owned equipment including AAF Technical items. (The withdrawal of AAF items also pertains to officers.)

d. MEDICAL. Immunizations will be brought up-to-date as prescribed in MTOUSA circular 8, 1945. Special care will be taken that both copies of the immunization register (Form 81 or 8-117) are present and check with the immunization page of the service record. Physical exam and health certificate prescribed in paragraph 5, AR 615-250, will be completed prior to departure for replacement depot. Personnel not qualified thereunder will not be forwarded until the disqualifications have been removed. Syphilis register (if applicable) will be accompanied by follow-up cards prescribed in MTOUSA Surgeons Circular Letter 15, 1945. Former malaria patients will be advised to continue atabrine treatment at replacement depot to prevent delay due to hospitalization.

e. FINANCIAL. Insure that each individual has been paid up to include his last pay date. He will further be acquainted with MTOUSA Circular 87, 1945, as regards sending excessive sums of money home, since he will be permitted to carry only $300 in currency and an additional $500 in treasury checks out of the depot. Amounts more than the above will require a legality certificate.

f. WAR TROPHIES. Insure that the provisions of MTOUSA Circular 60, 1945, including furnishing of war trophy certificate, are complied with.

g. CUSTOMS AND CENSORSHIP INSPECTION. Insure compliance with the provisions of AGO letter, file AG 524, 29 August 1944, "Processing of Baggage from Overseas," as amended, except that an excess baggage allowance of twenty-five (25) pounds is authorized, the WD Circular 335, 1944, as amended, concerning customs requirements. Each individual will be acquainted with applicable parts of Sec VIII, AR 380-5 as well as MTOUSA Circular 70, 1945, concerning censorship.

INSTRUCTIONS TO UNIT COMMANDERS

1. The following instructions concerning the processing of AAF personnel assigned to the 7th Replacement Depot for transshipment to the United States will be complied with:

a. ORIENTATION. Each individual will be acquainted with the provisions of AGO letter, file AGO 370.5 27 May 1945, Subject: "Orientation of Returning Individuals with Respect to Movement," concerning duty status during return. He will further be advised not to take pets to the replacement depot and also that his stay there will be indefinite depending on availability of transportation.

b. PERSONNEL RECORDS. The records listed in paragraph 15b (1), RR 1-2, where applicable to officers or enlisted men, as well as physical profile record prescribed in MTOUSA Circular 68, 1945, will be made current, carefully checked according to MTOUSA Redeployment Circular 3, 1945, and will accompany movement to replacement depot. Special care will be taken to see that campaigns and decorations are properly entered in service record. A certificate of non-availability of records, as prescribed in paragraph 15b (2), RR 1-2, will be forwarded when appropriate. Ascertain that each individual has identification tags.

c. CLOTHING AND EQUIPMENT. Clothe and equip each individual according to MTOUSA letter, file 370.5/476 D-O, 22 May 1945, "Clothing and Equipment for Enlisted Men Leaving this Theater," withdrawing all other government owned equipment including AAF Technical items. (The withdrawal of AAF items also pertains to officers.)

d. MEDICAL. Immunizations will be brought up-to-date as prescribed in MTOUSA circular 8, 1945. Special care will be taken that both copies of the immunization register (Form 81 or 8-117) are present and check with the immunization page of the service record. Physical exam and health certificate prescribed in paragraph 5, AR 615-250, will be completed prior to departure for replacement depot. Personnel not qualified thereunder will not be forwarded until the disqualifications have been removed. Syphilis register (if applicable) will be accompanied by follow-up cards prescribed in MTOUSA Surgeons Circular Letter 15, 1945. Former malaria patients will be advised to continue atabrine treatment at replacement depot to prevent delay due to hospitalization.

e. FINANCIAL. Insure that each individual has been paid up to include his last pay date. He will further be acquainted with MTOUSA Circular 87, 1945, as regards sending excessive sums of money home, since he will be permitted to carry only $300 in currency and an additional $500 in treasury checks out of the depot. Amounts more than the above will require a legality certificate.
